Career History

Full Stack Developer, Ganin Corp, Surgut (Temporary Contract),   Dec 2020 – Present
Russian software company based in Surgut, specializing in Web and software design

- Front End Development for webapps
- Learning and adapting to the Client's technology stack and development patterns
- Backend development and testing
- Contributing to the client's roadmap by providing technical opinions acquired through customer interaction and coding
- Stack: PostgreSQL, JavaScript, Express, NodeJs, JavaScript, Twig, CSS, HTML, Less, Behat
- OS: Linux (Ubuntu, Debian), Windows

Hardware Technician (MWD), Phoenix Technology Services,   Aug 2018 – Present
Canadian leader in the Oil and Gas directional drilling Industry

- Installation and troubleshooting of surface sensor hardware
- Troubleshooting and maintenance of Electromagnetic Wave Resistivity equipment
- Servicing downhole pulsers and probes
- Worked closely with the Reliability department to identify improvements and modifications to the equipment

Front End Developer, MindGeek, Montreal,   Sep 2020 – Nov 2020
MindGeek is a Canadian leader in Web Design, IT and Web Development

- Experienced working in a collaborative environment comprised of multi-disciplinary teams
- Successfully improved the user experience of different apps
- Successfully fixed different bugs on desktop as well as on mobile devices
- Contributed to the development and design of new functionalities with the product team
- Experience using Jira's Kanban boards for Agile and DevOps software development
- Experienced in using GIT as Distributed version control system
- Stack: GIT, JIRA, Kanban boards, JavaScript, Twig, CSS, HTML, Less, Behat

Full Stack Developer, Ganin Corp, Surgut (Temporary Contract),   Jun 2018 – Sep 2020
Russian software company based in Surgut, specializing in Web and software design

- Designed responsive websites for local businesses
- Learning and adapting to the Client's technology stack and development patterns
- Backend development and testing
- Contributing to the client's roadmap by providing technical opinions acquired through customer interaction and coding
- Designed simple business apps for clients handling (CRM, billing)
- Led successfully different scrum meetings and biweekly review sessions with clients and team members
- Implemented solutions using Bitrix CMS system
- Stack: PostgreSQL, MongoDB, JavaScript, Express, NodeJs, JavaScript, Twig, Perl, PHP, MySQL, CSS, HTML, jQuery, Less, Behat
- OS: Linux (Ubuntu, Debian), Windows

Geomechanics Engineer (MWD), Schlumberger Logelco Inc,   Aug 2010 – May 2018
Schlumberger is the world's leading Oilfield Services Provider

- Used python to perform different Geomechanical calculations such as
  - In-Situ rock stress
  - Modulus of elasticity
  - Leak-off coefficient
  - Poisson's ratio
- Used both my Geomechanics and programming skills to generate different field reports to clients
- Successfully created and implemented plans for new drilling projects
- Advised clients on different operational drilling parameters

Education

Lighthouse Labs,   Calgary, AB, Canada
Full Stack Web Development Diploma   **2020**

Tyumen State University,   Tyumen, Russia
Master's Degree in Petroleum Engineering (Honors)   **2007**

Additional Skills

Languages	English:	Fluent
	Russian:	Native
	Spanish:	Beginner

Coding languages/IT	JavaScript, HTML5, CSS3, Ruby, Perl, PHP, SQL, Python
	ReactJS, NodeJS, ExpressJS, jQuery, Webpack, Bootstrap,
	Ruby on Rails, Material UI, Redux
	PostgreSQL**,** MySQL, Mongodb, GIT, Firebase
	Mocha, Chai, Jest, Cypress, Storybook, Enzyme, Behat
	Heroku, Netlify, AWS, Firebase

Cloud/DevOps Certificates	AWS Certified Developer - Associate
	AWS Cloud Practitioner
	AWS Concepts
	AWS essentials
	DevOps Essentials
	Linux Foundation Certified Sysadmin (LFCS)

Engineering Training	SIS Wellbore Geomechanics
	BlueEDGE 2 BH Geology
	OFS-1 Exploration and Production
	Schlumberger Engineer 1 Course

Awards & Distinctions	Petroleum Engineering Degree with Honors
	First prize in Tyumen State University Mechanics competition
